

**SCOTLAND BOARD OF EDUCATION**  
**Board Policy**

**Community Relations**

**News Media Relations**

The Board believes that one of its important responsibilities is to keep the public informed about operations and activities of the schools. Therefore, the Board invites and welcomes the active participation of the media such as the public press, radio and television.

The Superintendent will plan for periodic releases to the press and other community media which will provide information to the community concerning its school and various phases of the school program.
