

SCOTLAND BOARD OF EDUCATION Bylaws of the Board

Administrative Regulations

The Superintendent of Schools shall develop administrative regulations to carry out the wishes of the Board expressed in policy, except such policies as require no separate regulations. The Superintendent will provide copies of such administrative regulations to all Board members as well as to other persons having policy manuals prior to a regular meeting to be studied for board approval.

Three (3) copies will be maintained, one (1) in the Superintendent's office, one (1) in the school Secretary's office where it will be available for general reference and one (1) in the Principal's office. The board will formulate regulations only when required to do so by State law or when the superintendent recommends board formulation in the light of strong community attitudes.

The Board reserves the right to review and direct revisions of administrative regulations should they, in Board members' collective judgment, be inconsistent with policies adopted by the Board.
